

Joint Meetings on
Noncommutative Geometry and Higher Structures

Università di Perugia, 25-29 July 2016

The aim of the workshop is to bring together people working on noncommutative geometry, deformation theory and related fields, to promote new collaborations and interaction between senior scientists and students/junior researchers, and give to young mathematicians some perspectives on who is doing what in this field.

The scientific activities of the conference will start at 2:30 PM on Monday 25 July and finish at 12:30 AM on Friday 29. To register, please send an email with your name and affiliation to [Nicola Ciccoli](mailto:Nicola.Ciccoli@unipg.it) (no registration fee is required).
